

NAS Pensacola Blue Angels Homecoming Air Show Media Accreditation 2021

Please submit to nasp_pao_webpage@navy.mil

This year we will have a three-window accreditation process to facilitate our national and international media partners. Please note that any submissions will be vetted by the NAS Pensacola Public Affairs Office, Security Department and other law Enforcement partners to facilitate access. Any journalist substitutions after one has been approved will be made on a case-by-case basis. Due to time constraints in the vetting process, it is unlikely that any international media outlets will be approved a substitution after 15 Oct. 2021.

Only three representatives from any media organization will be granted access to the media stand per day. There will be a limit of 50 media passes granted per day for the Nov. 5 and Nov. 6 Airshows. Please indicate below which date you are requesting a media pass.

If you are a media outlet from the Gulf Coast Region, we will accept accreditation packages from Aug. 15, 2021, to Oct. 29, 2021.

If you are a media outlet from the U.S., but outside of the Gulf Coast Region, we will be accepting accreditation packages from Aug. 15, 2021 to Oct. 15, 2021.

If you are an international media outlet planning on attending as an accredited outlet, we will be accepting accreditation packages from Aug. 15, 2021 to Oct. 15, 2021.

Other Documents Required:

1. PDF of media credential
2. Editor's letter confirming Air Show assignment
